

Tai Chi

Neuroscience Supportive Care Program

This Tai Chi class will help build balance, coordination, flexibility, and strength and can be performed by anyone regardless of age or physical condition. Tai Chi strengthens the body, quiets and calms the mind and emotions, and improves overall health and well-being. This Tai Chi class is supported by a grant from the National Parkinson Foundation.

Supported by

Walk-ins welcome. For more information, please call 650.721.8500.

Dates: Every Tuesday (starting February 7)
Time: 2:30pm–3:30pm
Location: Stanford Neuroscience Health Center
213 Quarry Road
Wellness Room 1511
Palo Alto, CA 94304

The Stanford Supportive Care Program provides free classes, workshops, fitness classes, services, and support to all neuroscience patients regardless of where they receive their care.
