

Please join the Stanford Parkinson's Caregiver Support Program for a seminar on Lewy Body Dementia caregiving:

Lewy Body Dementia Caregiving – *Insights & Experience*

Wednesday, April 19, 2017 - 2:30-4pm

**Avenidas - 450 Bryant St., Palo Alto – La Comida Dining Room
(avenidas.org)**

Speaker: Christina Irving, LCSW, Family Caregiver Alliance

Panelists: Three members of our Brain Support Network Lewy Body Dementia Caregiver Group including one woman whose husband is in middle stages, one woman whose father is in middle stages, and one gentleman whose wife died in December 2016 with Lewy Body Dementia (confirmed through brain donation).

This seminar is co-organized by Brain Support Network (brainsupportnetwork.org). And the seminar is hosted by Avenidas, the senior center in downtown Palo Alto.

This event is free but please RSVP to Avenidas, phone 650-289-5400, so that we have enough refreshments and materials for everyone.

**If you have questions,
please contact Robin Riddle,
rriddle@stanford.edu, 650-724-6090.**
