4pm-5:30pm PST

Stanford HEALTH CARE

A free webinar on home safety checks to help prevent falls at home.

AGING-IN-PLACE *safely*

HEAR TALKS BY:

HOME SAFETY SERVICES

Martin Simenc will review some of the most common assistive aids and devices used for home modifications.

SHC FALL PREVENTION TEAM

Occupational Therapists from Stanford Health Care's Injury Prevention team will walk through real spaces and discuss home safety checks you can make in your own home.

SANTA CLARA COUNTY FIRE

Gina Cali, Sr. Community Risk Officer, will tell us what role the Fire Department has in fall prevention and home safety.
