

2026 Redding Parkinson's Support Group 11TH Annual Conference

Inviting all those who have Parkinson's Disease (PD), their friends, family members, and anyone interested in learning more about PD. Learn from expert speakers on different types of treatment options and information that can improve your quality of life.

This is one of the area's premier PD offerings so don't miss it! Meet other people with PD, caregivers, care partners, medical community members, and others affected by PD. Visit with local and national vendors with resources about PD that could help you. Seats are limited so register today!

Cost: \$20 (Includes lunch)

**Registration available
through April 4, 2026**
